Insurance and Payment Notice

Drs. John and Emily Riser are providers for Medicare and most major insurance plans. We provide insurance billing. Anything not covered by insurance will be your responsibility.

We request payment at the time of your appointment for services that are not covered by insurance. Your insurance company may also require you to pay a co-payment or a deductible at the time of your appointment. If necessary, our staff will work with patients who require a payment plan.

If you have any questions regarding which insurance plans we accept or any patient billing concerns, please call us at 205-803-2210 extension 3. Questions regarding your coverage and benefits should be directed to your employer or insurance company.
